

*Learn some exciting, simple, low-cost experiments to engage your students!*

**Attend a one-week training next Summer – FREE!**

## ASM MATERIALS CAMP® 2010

University of Houston-Downtown

Houston, TX

June 21-25, 2010

**Who:** High school general science, chemistry, physics, math and technology teachers; middle school science teachers.

**What:** A one-week workshop to show you how to use low cost / no cost, simple labs and experiments using everyday materials that can be integrated into your existing lesson plans.

**Why:** To engage and excite young people in science and math!

**Program Fees:** None—program includes lunch and supplies; transportation and other costs are your expense.

**Credit:** 2 semester / 3 quarter graduate credits available for an additional cost of about \$200.

**Schedule:** This is a full day (8:00 to 5:00 PM) 5-day long workshop. (Note: Possibility of late afternoon/evening in the event of fieldtrips scheduled.)

**Faculty:** Primary faculty are two experienced high school “Master Teachers” who have taught materials science courses for many years and helped develop this innovative approach to hands-on learning of applied science principles.

**How to apply:**

- [Apply online](#) or visit at: [www.asmfoundation.org](http://www.asmfoundation.org).
